## **Baldwin Grand Piano for Sale**

This piano was built by the Baldwin Company, one of the great American piano builders and is 5'8" in length, 4'10" in width, 3'3" tall and has a beautiful natural wood veneer. It is in excellent working condition, an instrument that is equally beautiful visually and aurally!

Christ Church is asking \$4,000, but will negotiate. Moving it is the responsibility of the purchaser.

You are free to look at and play it at any time,  
other than during worship services.

The piano was bequeathed to Christ Church by  
a dear departed member, Lee Wiedersum. Lee was  
a devoted member of the Altar Guild and purchased  
it new in 1965, taking exquisite care of the piano  
for all the years that she owned it.

Presently, we have an embarrassment of riches, in that we have three grand pianos that have  
been given to us and we don't have room for all of them! So, with the permission of Lee's  
family, we are looking for a loving home for this wonderful piano

For more information about the piano, please contact Brady Johnson in the Church Office, at  
772-562-8670.
