**Open enrollment for the public begins April 3<sup>rd</sup>**  
and all registrations will be considered in the order they are received.

## *What's next?*

1. Parents submit these completed forms to a teacher or the Director:

- TOTS Registration Form
- Parents Permission & Medical Release Form
- \$30 registration fee

2. After the forms are processed, you will receive a **confirmation e-mail**. In the event you have registered for a class that is full, you will receive a phone call and be given the option to be put on a waiting list.

3. Over the summer you will receive more details about the **Open House** schedule and any special updates that might happen in the meantime. All items on the supply list should be brought with you to Open House.

4. In August, you'll be reminded to **send in a photo of your child** that we may print for uses such as name tags, cubby tags, classroom decorations, etc. We don't need a professional portrait, but please consider the factors of whether it's in clear focus, decent lighting on the face, and if your child will recognize it.

5. **Communication is super important.** We use e-mail to send documents and reminders as well as our private Facebook page. (If you're new to TOTS, an invitation will be emailed to you via Facebook to join the group.) Our KidCheck security software allows us to send text messages as well so we do try to cover all the ways people access information. Please notify us if any of your contact information changes.
